It is amazing how many boxes of tissues the schools need just to keep a box in each classroom. When flu season hits they go through even more tissue and start needing lip balm too. So I am offering up a challenge. If 20 of us bought only one box of tissues every week for 10 weeks we would have enough to start the school year! If you feel called to be one of the 20, just place your box of tissues each week in the red Teachers' Closet bin located in the narthex. Hopefully the bin will be overflowing and someone will ask who is going to empty it! We will store supplies in the office located next to Cindy's office.

Donations:

If you would like to make a monetary donation, please make check out to Westminster Presbyterian Church and indicate "Teachers' Closet" in the memo area.

Thanks for your participation in the Teachers' Closet Ministry!
